RELEASE FORM AND INFORMATION FOR PUBLIC EVENT

During public events organised for/by and/or sponsored by Panzeri Diffusion srl, it is possible that images be taken of the participants and that these images eventually be shared through websites owned by Panzeri Diffusion srl and/or social media handles managed by Panzeri Diffusion srl, as well as printed materials or other media. This collection of images will be done whilst respecting the safeguarding of the dignity of the people present, and the collection and sharing of images of minors will be avoided as much as possible by Panzeri Diffusion srl.

When the number of people present at the event is high, this makes it impossible for Panzeri Diffusion srl to collect single release forms and authorisations for the use of images. Therefore, Panzeri Diffusion srl has created this information sheet.

Whenever possible, and if possible during the organisation of the event, the event will be organised by preparing and communicating areas and/or time slots where images will not be collected. In so doing, the company hopes to safeguard those people who wish to participate in the event who do not want their image to be collected or be subject to the process of sharing.
