

## INFORMATIVA PRIVACY LIBERATORIA EVENTO PUBBLICO

During public events organised for/by and/or sponsored by Z.ONE CONCEPT SRL, it is possible that images be taken of the participants and that these images eventually be shared through websites owned by Z.ONE CONCEPT SRL and / or the social media channels managed by Z.ONE CONCEPT SR Land / or its Partners (list available upon request) and / or by other Owners (Facebook, YouTube, LinkedIn, Instagram, Twitter etc., whose policies are referred to) and / or the press and other media. This collection of images will be done in compliance with the safeguarding of the dignity of the people present and the collection and subsequent sharing of images of minors will be avoided as far as Z.ONE CONCEPT SRL can do so.

When the number of people present at the event is high, this makes it impossible for Z.ONE CONCEPT SRL to collect single release forms and authorisations for the use of images. Therefore, Z.ONE CONCEPT SRL has created this information sheet.

Whenever possible, and if possible during the organisation of the event, the event will be organised by preparing and communicating areas and/or time slots where images will not be collected. In so doing, the company hopes to safeguard those people who wish to participate in the event who do not want their image to be collected or be subject to the process of sharing.
